*In the podcast they pointed out the Holy Spirit speaks to us through the Bible, God's recorded words, by His/our friends, and He Himself. Do you think that Jesus wants to speak to you? Why or why not?

*As a small group, spend time praying for each other with the expectation the Holy Spirit will speak to y'all in a way each other will understand. After some time, share with each other what the Lord said.

VERSES USED AND REFERENCED:

*Gen 1:3; Matthew 4:1-11; 18:19-20; John 10:27
